Good morning/afternoon/evening. I'm (...INTERVIEWER'S NAME) from the Institute for Social Science Research at UCLA. Recently we sent you a letter explaining that we are conducting a survey of residential rental property owners in the City of Los Angeles. We would now like to conduct a short 3-4 minute interview with you. Your participation is entirely voluntary and you may refuse to answer any question. However, your cooperation is very important in order for us to successfully represent the characteristics of the rental housing market in Los Angeles.
